

## **THE BOB CARRUTHERS MEMORIAL TROPHY**

(Awarded to the person with the longest land based capture on artificial lure)

This competition has been introduced to the ANSA Qld membership in memory of Bob Carruthers, a prominent Brisbane SC and former ANSA Qld Executive member. This was his style of fishing.

The competition will be operating over the internet through the ANSA QLD web site [www.ansaqld.com.au](http://www.ansaqld.com.au)

Anglers will submit their results to the events Co-ordinator by email or by post who in turn will place the results on to the site and update the results as they are surpassed.

Taggers may use their tagged fish to enter this competition

The rules are very simple and they are as follows

### **Rules:**

- Anglers must be a registered financial member of ANSA Qld
- Capture to be submitted on capture sheet (available at [www.ansaqld.com.au](http://www.ansaqld.com.au)) within 21 days to be eligible for the competition
- To beat a current capture, the new one must be at least 5 mm bigger (all measurements in millimetres) than the current capture. IE, to beat a 505 mm Bass, you need a 510 mm Bass
- At the end of the fishing year the sheet will be reset to zero
- Fish may be kept or released
- Tackle must meet the requirements set out for Lurefishing
- Winning angler gets a framed certificate with a picture of that species used as a watermark on the certificate

Minimum and maximum lengths apply as per ANSA species list and captures must comply with all Fisheries Regulations
