To encourage membership participation in the Field Workshop and State Conference, **the ANSA Qld Executive have secured sponsorship from the Queensland Department of Primary Industries and Fisheries for one member from each club.**

*What does this mean for your club?*

ANSA Qld has been allocated funds to sponsor one nominated representative from each club to the value of \$80 for accommodation and meals to attend the **Workshop and State Conference.**

ANSA Qld and the Keppel Bay Sportfishing Club have put together a combination of cost effective packages of different levels of accommodation, (inclusive of all meals). ANSA Qld, with the sponsorship from DPI&F, is offering one member from each club the opportunity to attend the workshop and conference at a significantly reduced cost.

*What does the Sponsored Delegate do?*

All ANSA Qld affiliated clubs are entitled to send one delegate to per 30 members (or part there of) to represent their club at the Annual General Meeting and State Council Meeting.

ANSA Qld is providing a cost effective opportunity for clubs to send their delegate to attend the Field Workshop and State Conference to gain knowledge on the subjects presented, so they can pass this knowledge on to the membership of the club when they return. This sponsorship also makes it cost effective for the delegate to attend the Annual General Meeting and State Council Meeting.

All members of ANSA Qld affiliated clubs are entitled to attend the weekend as visitors. **Most importantly - all delegates and visitors should come along to enjoy a social event designed to impart knowledge while catching up with old friends and making new ones.**

*What if our club does not send a sponsored delegate?*

The ANSA Qld Executive would prefer all clubs were represented at this event, however we realise this is not always possible for various reasons, so ANSA Qld would like to encourage clubs to reassign their allocated sponsored position to other clubs in their region to encourage inter club participation.

ANSA Qld is encouraging clubs that can not send a delegate to talk with the other clubs in their region to see if they could use their sponsored position to send another delegate, with the concept that this person will be the proxy delegate for the sponsoring club and that this person would report back to the sponsoring club on the events and outcomes of the weekend.

If a club can not send a delegate or sponsor a proxy delegate from their region, the club shall sign the right of sponsorship back to the ANSA Qld Executive, who will reassign this sponsorship to the most appropriate club to ensure the best outcome for ANSA. (Note: All unused sponsorship money must be repaid to DPI &F under the contract we have entered).

**Please complete these details on the Sponsored Delegate Nomination Form and return to the ANSA Qld Treasurer ASAP.**

*Who can be a Sponsored Delegate?*

Any fully paid member of an affiliated ANSA Qld Club can be a sponsored delegate. To encourage membership participation at this event from more club members, the ANSA Qld Executive are being funded separately and as such will not count as a clubs sponsored delegate for this offer.

**“YOUR” participation is needed!**

Remember, this is **“YOUR”** Workshop, **“YOUR”** Conference and **“YOUR”** Meetings. Come along and take from them what you need.

This is **“YOUR”** opportunity, as the affiliated clubs of ANSA Qld, to elect the new executive and provide them with the direction you believe the organisation should be taking for the future.

This is **“YOUR”** opportunity to have a great weekend at a great location. We provide the venue, you provide the atmosphere.

Come along and have a fantastic time. The Executive of ANSA Qld is looking forwards to meet you there.
