

Bowen Challenge Competition

2008

Club Sec.

The Bowen Challenge Competition is going ahead this year as usual. Once again this year it will be run by the ANSA clubs that make up the Burdekin Coral Coast Zone. The competition is not being taken over by these clubs it is being kept going in an effort to foster interest within the area. The goal of the clubs is to hopefully see the reformation of an ANSA club in the Bowen area.

Competition Rules

As per ANSA Q State Titles rules in the Qld handbook.

There will be a curfew from 6pm until 10pm Saturday night.

On the Saturday night it is planned to have a Data projector and Screen available to present a few slide shows. A brief power point presentation will be shown of current ANSA Qld updates and information from the recent Statewide Conference. If anyone has any photos that they might want to show on the Saturday night please feel free to bring

them along on a disc. This is just to provide some light entertainment for all to enjoy.

Competition Boundaries

All tidal water from Georges Point in the south to 300 meters north of Abbot Point and out to sea as far as Holbourne Island

(Map will be provided at the venue)

If you have any products (lures/flies etc.) that you wish to sell please feel free to bring them along. But please no raffles as the organising committee will be conducting their own raffle.
