## Summer State Titles Forms and Spreadsheet

After the State Wide Meeting at Yeppoon in August this year, a few changes have been made to the State Titles in regards to times of start and finish, length's of Watson's Leaping bonito's, and the inclusion of All Tackle Teams events.

Fishing times are now 2400 hours on the Friday until 1400 hours on the Sunday, with all fish to be in the Weigh In station by 1600 hours. Results need to be in to the Events Coordinator by 1800 hours on the Monday following the Weigh In, and results will be sent out as soon as possible, rather than on the Sunday night.

Watson's Leaping Bonito now have a legal length of 35cm for ANSA Competitions, and All Tackle Team entries are available for Senior, Junior, and Family Teams, with the Family Teams being restricted to 5 fish, with one fish to be weighed in by a Junior

Pdf forms are available by clicking on the picture below, and these can be either printed off and filled in manually, and then posted through to the Events Coordinator, or filled in online, saved and sent as an attachment to the Events Coordinator: [events@ansaqld.com.au](mailto:events@ansaqld.com.au)

There is also an Excel spreadsheet available for download and completion for Club Recorders, and this is available by clicking on the picture below. This can also be filled out and saved for sending through to the Events Coordinator: [events@ansaqld.com.au](mailto:events@ansaqld.com.au) If using this spreadsheet, you only need to complete Forms 3, 4, and 5 and send through as well.
