The Cairns Barefoot Trek

13 September 2017 – 25 September 2017

The ANSA 50 Year Celebration is being held in Cairns this year on 23, 24 and 25th of September, commencing with a dinner on Friday, 22nd of September 2017.
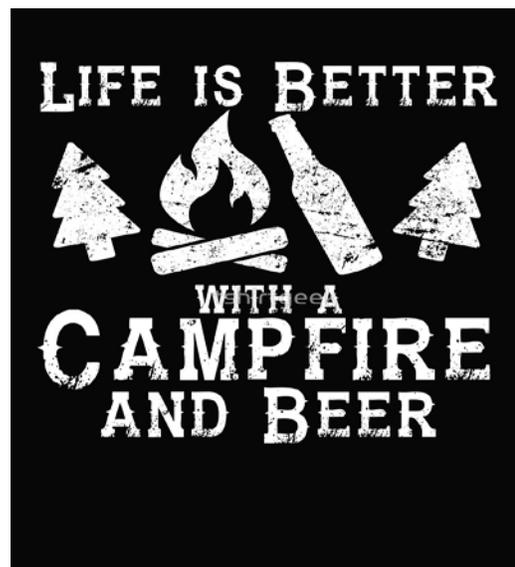

Southern Brisbane Sports fishing Club is organising a convoy to fish our way to up the conference starting from 13 September2017.

There will be a half day's drive between each stop to allow for stress free travel and camp set-up and pack-up.

As a group, we will have fun and more importantly share the costs and adventure.

Local ANSA clubs at each of the locations will provide local knowledge and guidance on where and when to fish for the best results. They may even share a beer and yarn or two!

LIFE IS BETTER WITH A CAMPFIRE AND BEER

Rough it…..

…….or don't rough it…….

…… but come along……..

Join in for some or all of the trek!

…and whatever you do, bring a rod or two!

After the conference, Trekkers can plan their own return.

Some may elect to travel together and fish different areas on the way home.

On the way up, the local Trip Captains would brief the group on the following day's trip or trips.

Hopefully the trip sheets can be out before starting the trek so that people have the correct tackle for the type of fishing proposed.

The local Accommodation/Social supervisor would also go over any tourist attractions or perhaps an outing could be planned if interest is shown before the trek starts.
