

TOWNSVILLE SPORTFISHING CHALLENGE

North Queensland

Challenge Brief 2018

Introduction

The 38th Townsville Sportfishing Challenge is to be held in the Townsville district waters on the weekend of 19, 20 and 21 of October 2018.

The Townsville Sportfishing Challenge is an invitation only competition open to all members of Australian National Sportfishing Association (ANSA) affiliated clubs in Queensland.

Boundaries

The boundaries shall be a line drawn East/West from the Northern tip of Great Palm and a line drawn East from the Northern tip of Cape Bowling Green, with no Eastern or Western boundaries. This extends to all estuaries that flow into the coast within these boundaries.

Timings

The Townsville Sportfishing Challenge 2018 is operated over a three day period. Fishing commences at 6:00p.m. Friday 19 October 2018 and ceases at 12 Noon on Sunday 21 October 2018.

Fish caught outside these timings are considered ineligible and it is the responsibility of the individual to monitor these timings.

The weigh-in be held at 4 Dali Court, Heatley and will commence at 1.00pm on the Sunday or as close to this as practicable, however all fish are to be in the weigh-in area no later than 12.45pm.

It is expected the presentation will commence at approximately 3.00 – 3.30pm on the Sunday afternoon or sooner if able however this will be entirely dependent on the number of competitors fishing.

Tides

The tides stated for the weekend of the Challenge are as follows:

Friday 19 October 2018		Saturday 20 October 2018		Sunday 21 October 2018	
Height	Time	Height	Time	Height	Time
0.99m	0053	0.93m	0116	0.88m	0137

2. All fish are to be presented to the Weighmaster and assistants in preparation for weighing and Measuring and the Weighmasters decision is final if a fish is ineligible. Facilities are available for checking length and species prior to weighing of fish and it is the responsibility of each angler to ensure that fish are presented in accordance with the fishing rules.
3. If a nominated angler is unable to attend the weigh-in due to work commitments or unforeseen circumstances then that angler can nominate another member from his or her team to weigh In his or her fish. If this is the case then the respective Club Captain is to inform the Weighmaster prior to the commencement of the weigh-in.
4. All fish are to be correctly gutted and gilled prior to presentation to the Weighmaster as there are no facilities at the weigh-in site. On the weigh-in form fish are to be nominated if caught in **estuary or bluewater and if captured by lurefishing** .
5. The maximum number of fish to be weighed-in per competitor is five with no more than two of any one species.
6. To be eligible for team trophies, two members of senior teams must present fish to the Weighmaster. Junior and Sub Juniors are exempt from this rule, however a minimum of two must nominate in Junior and Sub Junior teams

Disqualification

An angler will be disqualified if they present to the Weighmaster any fish that is not fresh, gilled or gutted. Anglers will also be disqualified if any fish presented are under the minimum length as per the Townsville Challenge Species List.
