Summary responses to all Questions

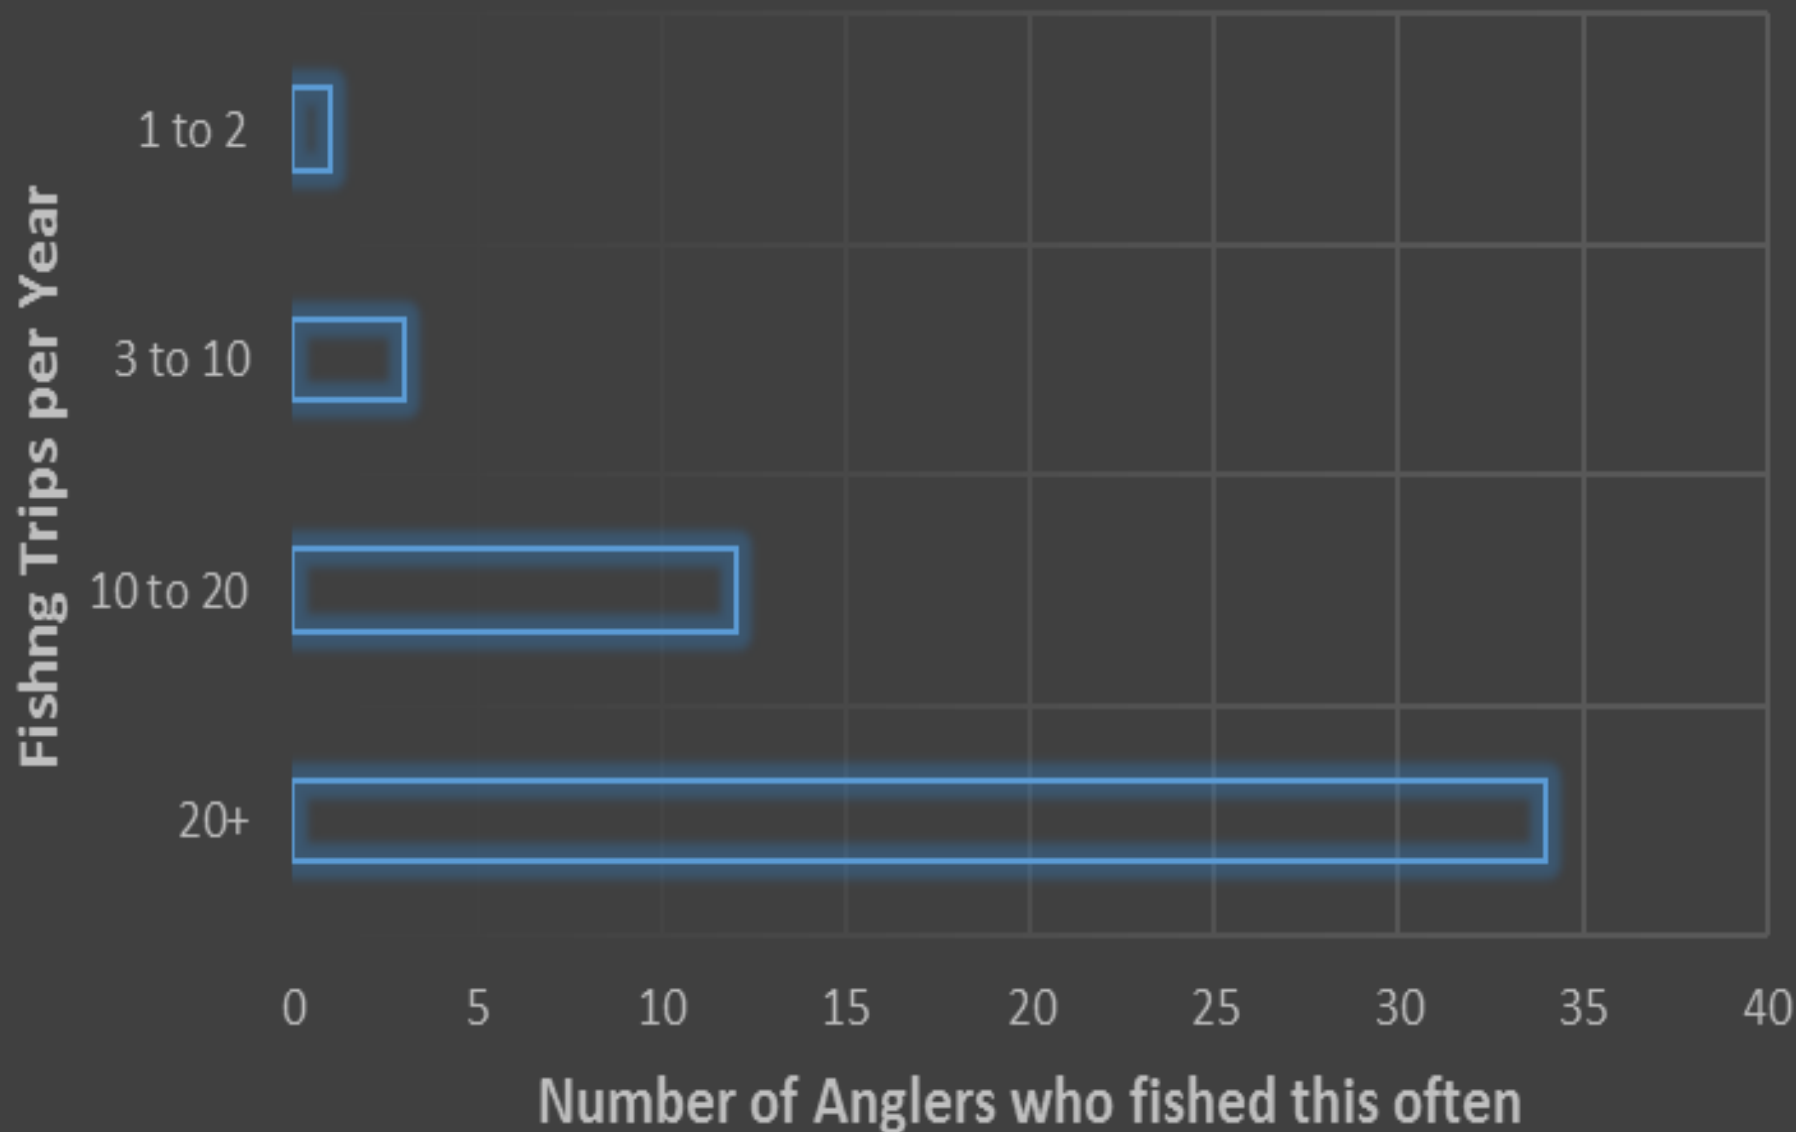

Do You Use Knotless Landing Nets?

Do you notify someone of your fishing destination and estimated time of return?

Fishing Frequency - Respondents

What is Insightful Anglers?

Insightful Anglers is a self-assessment where recreational fishers rate their fishing practices. Insightful Anglers is a questionnaire developed so recreational fishers can work through a series of questions that incorporate the areas and principals of the [National Code of Practice](#) for recreational and sportfishing.
